

## CALL FOR SPECIAL SESSION

### CIPR-2023

Proposals for organizing special sessions in CIPR 2023 are invited from academicians and industry experts from highly-reputed organizations. The proposals should clearly indicate:

- a. Session Title
- b. Name(s), designation, and affiliation of session chair(s) (at least 02 No. s) and session-committee members (if any)
- c. Aims and Objective [200 words]
- d. Topics of Interest [100 words]
- e. Expected number of articles to receive
- f. List of name, affiliation, email of 20 target researchers who can submit articles to this session

Special session proposals along with a short curriculum vitae of the session chair(s) can be mailed to [cipr2019@gmail.com](mailto:cipr2019@gmail.com) on or before **20<sup>th</sup> November 2022**. After the review by Conference panel members, decision regarding the special session will be intimated within 05 days from submission of the proposal.

#### **Important:**

- a. The Special session must be a new topic oriented and must be Conference theme /related theme.
- b. All accepted special sessions will be sponsored to deliver a *Best Paper Award* at the conference.
- c. A special session must target a particular audience who are probable to submit for the special session. Insufficient number of submissions will lead to drop of the special sessions but the registered articles under the sessions will be considered as regular articles and will be published in the proceedings.

**d.** Selection of a special session is subject to the mutual exclusiveness of already requested and approved special issues. If we do have approved a special session topic, we are unable to entertain a second special session on the same topic. All approved special sessions will be listed under SPECIAL SESSIONS tab in left sidebar of the website.

**e.** The primary special session chair will be offered 3AC train travel in India and accommodation during the session.
